Your brand is yours again

When fans search your name, they find you — not the leaks.

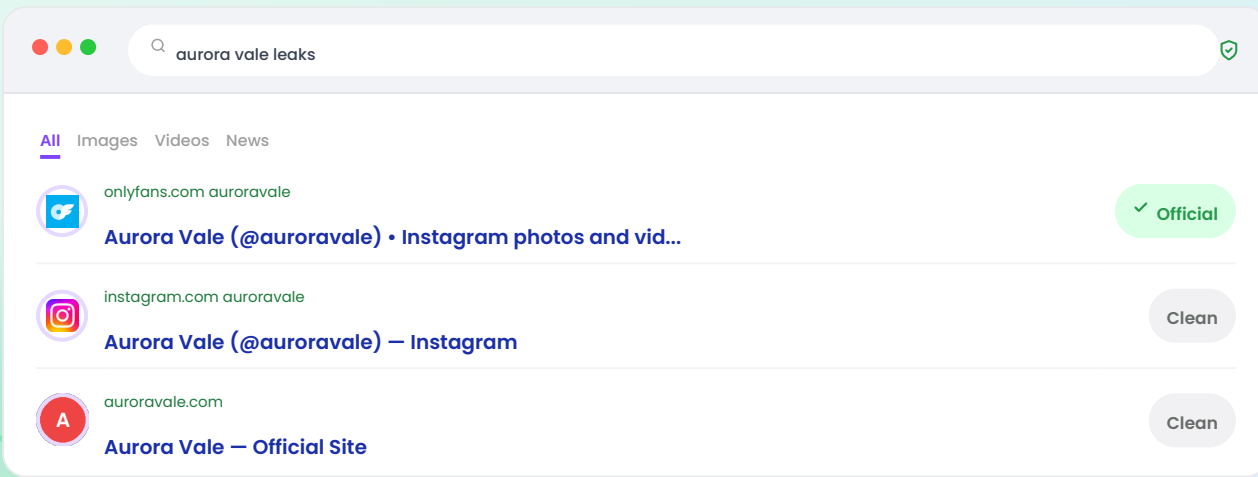

✓ aurora vale leaks

● aurora rose leaks CLEANING

1 of 2 searches clean — the **amber** ones are still being cleaned.

This is your real, LIVE Google search for each term — **green** is clean, **blue** is your official page, **red** is pirated (a spinning badge means the takedown is already in progress).

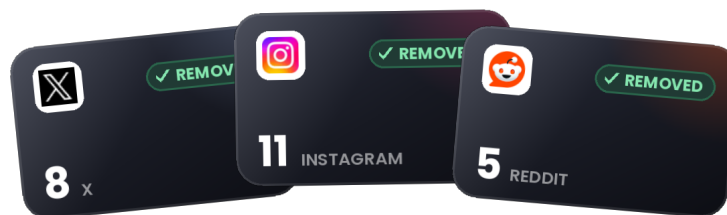

Removed from social platforms

Fake accounts and stolen posts — taken down.

24

takedowns across X, Instagram & Reddit

Still watching — new impersonators and stolen posts get taken down automatically.

REMOVAL RECEIPTS

The latest wins, on record.

What your protection did this week.

AUG 10

New links found

We discovered 14 new links of your content.

AUG 9

Deleted at the source

thothub.vip deleted 3 leaks of your content — gone from the site itself, not just hidden from search.

[Deleted from the site](#)

AUG 8

Wiped from Google search

5 leaks of your content from fapello.com no longer show up on Google — fans searching for you won't find them.

[Removed from Google search](#)

AUG 7

Takedown started

We filed a takedown notice for 4 links on erome.com.

AUG 6

Impersonators found

We found 2 accounts using your face.
